
WHY BECOME A MEMBER OF PMI

In order to perfect your knowledge in terms of project management and allow you to reach certification, the course material is based on the PMBOK, guide to the project management body of knowledge, Sixth Edition in French.

The PMI (Project Management Institute) is an internationally recognized accrediting body in the field of project management whose certifications PMP® or CPM® are a pledge of professionalism and credibility.

The PMI membership service offers:

- More than 14 thematic conferences;
- A symposium featuring 24 keynote speakers;
- Mentorship programs (members only);
- Communities of practice;
- Regional networks: access to networking cocktails and conferences in (RMCC) Mauricie Centre-du-Quebec;
- Preparation courses for all of the PMI certifications such as the: PMP®/CAPM®/PMI-ACP®;
- POINT.COM, semi-monthly newsletter;
- Job posting.

You must be a PMI International member to join PMI-Montreal or PMI-Québec.
